Station MANGALORE *Dated the* 25th April 1933.

From (Name) M. R. Ry. K. Vittal Shetty, Avargal.,
(Designation) Chairman, Municipal Council, Mangalore

To The Secretary to the Government of Madras,
LAW (EDUCATION) Department.
FORT ST. GEORGE, MADRAS.

Sir,

In July last one Stereoscope with a dozen educational views was purchased from the Agent of an American Stereoscope Company for use in the municipal elementary schools and its cost which amounted to Rs.20 was debited to the elementary education funds of the council. The District Inspector of L. F. Accounts has raised an objection in respect of the debit for want of sanction of Government. Ordinarily no sanction of Government is required for the purchase of furniture, maps, globes, garden tools, and other appliances

needed for the use of the schools. The Stereoscope with the educational views was one of the appliances that was considered necessary for imparting knowledge to children in schools and no prior sanction of Government was considered necessary for its purchase. The cost incurred is directly connected with the course of instruction relating to elementary education and I request that in case the sanction of Government is considered necessary, you will be pleased to move Government to accord the same.

The purchase had the approval of the Council. An extract from the audit notes is enclosed.

Your obedient servant,

Chairman, M.C.
